We have attached the required exhibits as outlined on page 1-1 of the *First Place Loan Program* Manual. We stipulate that we are not currently suspended from participation in any MHDC loan programs.

We have read the Loan Origination Agreement as printed in the *First Place Loan Program* Operations Manual, and agree to comply with the requirements of that agreement, and with the program guidelines as stated in the *First Place Loan Program* Operations Manual. We understand that all loans will be sold to the Master Servicer, currently US Bank, and it is our responsibility to enter into a Loan Purchase contract with the Master Servicer.
