Subject: Missouri 2020 Action Plan Community Input Survey

HUD requires the State of Missouri to publish an Action Plan every year. The Action Plan covers the following HUD programs administered by the State: Community Development Block Grant, HOME Program, Emergency Solutions Grant Program, Housing Trust Fund, Housing Opportunities for Persons with AIDS, and the Continuum of Care.

Staff from these programs must collect information about the housing, community, and economic development needs for the State and assemble a plan for meeting those needs over the next year. Part of that information must come from public input.

The Missouri Consolidated Plan partners, which include the Department of Economic Development, in conjunction with the Missouri Housing Development Commission, the Department of Health and Senior Services, and the Department of Social Services, are working to develop the **2020 Action Plan** for the state of Missouri. We want your help with this process! Your feedback helps the state make important decisions about housing and community development funding. Your perspective is critical for ensuring that federal funds are addressing the needs of Missouri citizens. Please take the time to answer the questions in the survey link below. If you have any questions or need assistance in any way with the survey please contact Daniel Engler at daniel.engler@ded.mo.gov.

Thank you for your assistance.

The survey is open now and will close Friday, December 13, 2019.
