Missouri Housing Development Commission (MHDC) hereby notifies interested parties of the availability of the following funding sources for the rehabilitation or construction of rental housing units for low and moderate income families and individuals in the state of Missouri:

- Federal 4% Low Income Housing Tax Credits;
- State 4% Credits in the amount of \$4,152,339

If an applicant is requesting Federal and/or State Historic Tax Credits, they should be shown on the application as a source of funds; however, approval of these tax credits will be made by the Department of Economic Development (DED). An approved proposal will not become eligible for tax credits until it applies and receives an allocation of private activity bonds from the Department of Economic Development.

We ask all applicants to visit our web site at www.mhdc.com to obtain the 2013 Qualified Allocation Plan, Developer's Guide, and Application Forms and Checklist.

A separate application must be submitted to request AHAP credits as part of the financing package for any proposed development.

All proposals must be prepared using the application on the MHDC web site and must be submitted to the office of the Missouri Housing Development Commission at:
