The Missouri Housing Development Commission (MHDC) is requesting quotes for combination firewall, web traffic control, intrusion prevention systems, and associated configuration services.

We are requesting responses to provide the capabilities and pricing detail as stated below.

General Requirements of proposed system:

1. Must identify and control all applications on any port, not just standard ports (including applications using HTTP or other protocols).
2. Must identify users by name, not IP addresses and employ user and group information from enterprise directories for visibility, policy creation, reporting, and forensic investigation.
3. Must decrypt outbound SSL.
4. Must perform and deliver the same throughput and performance with application control fully activated.
5. Must have real-time log filtering and reporting to quickly investigate security incidents by correlating threats with applications and user identity.
6. Must ensure secure connectivity for all users with a transparent VPN that supports a range of devices.
7. Must have a fully integrated URL filtering database to control web surfing and access to high risk sites.
8. Must have ability to control web traffic on a per-user or per-group basis integrated with Active Directory.
9. Must have ability identify specific file types and control the transfer of sensitive data patterns such as credit card and social security numbers in application content or attachments.
10. Must block viruses, spyware, targeted malware, and application vulnerability exploits.
11. Must identify and control circumventors: proxies, remote access, and non-VPN-related encrypted tunnel applications.
12. Must have redundant system for fail-over.

Please include in your quote:

1. Information on compliance with above General Requirements.
2. Hardware (including redundant system) and costs.
3. Software subscriptions fees (1 & 3 year options).
4. Support support/maintenance fees (1 & 3 year options).
5. Setup and configuration services and costs.
6. Training services.
7. Any other additional information you would like to provide.
